

Colours by Materia (CbM).

Furnishing with colour gives you more opportunities to surprise, blend in or stand out. Colours by Materia (CbM) is our answer to everyone with an open mind. CbM reflects Materia's identity, and the selection was made together with some of Sweden's most distinguished architects. The colours beige, mustard yellow, dusty pink, rusty red, burgundy red, blue grey, green, grey, dark grey, black, and white also match each other, making it easy to combine different colours within the scale. They are all available as standard for a number of our products. Be coloured by the choices.
